

Weathered the Storm

Goldin Metals has weathered hurricanes for more than 65 years, along the Gulf Coast, and we understand the importance of getting back in operation as quickly as possible. With three locations along the coast of Louisiana, Mississippi and Alabama, we are able to respond immediately after the winds have subsided. Our manufacturing facility was unharmed by the recent storms and with a substantial inventory, we are in a position to immediately supply you with all your metal roofing and metal component needs, at very **low prices**. We would appreciate the opportunity to earn your business and become a preferred supplier to your company. We have enclosed a brief summary of some of the metal roofing, components and other steel items that are offered by Goldin Metals, Inc. Please give us a call today; our experienced sales staff will assist you in placing your order. You can contact us at 1-228-896-6216 ext. 230 or 1-800-777-6216 ext. 230.
